O Church of Christ rejoice

Come those whose joy is morning sun
And those weeping through the night
Come those who tell of battles won
And those struggling in the fight
For His perfect love will never change
And His mercies never cease
But follow us through all our days
With the certain hope of peace

Come young and old from every land
Men and women of the faith
Come those with full or empty hands
Find the riches of His grace
Over all the world His people sing
Shore to shore we hear them call
The truth that cries through every age
Our God is all in all
